

February 19, 1993 LB 146, 746

CLERK: Senator Bernard-Stevens would move to withdraw 146, Mr. President.

SPEAKER BAACK: Senator Bernard-Stevens.

SENATOR BERNARD-STEVENS: Thank you, Mr. Speaker, members of the body. A bill was introduced, it was given to the Government Committee. We've been working with the principals involved. The bill is not ready yet. It provides for expansion of certain benefits for veterans within the budget restrictions that we have. It's not possible, the people are aware it's not possible. There's no reason to burden the committee with something that cannot be done at this point, so I respectfully ask that the bill be withdrawn.

SPEAKER BAACK: Any discussion? Seeing none, we will now vote on the motion to withdraw LB 146. All those in favor vote aye, opposed vote no. Record, Mr. Clerk.

CLERK: 26 ayes, 0 nays, Mr. President, on the motion to withdraw 146.

SPEAKER BAACK: The bill is withdrawn. We'll go to the motion by Senator Elmer.

CLERK: Mr. President, Senator Elmer would move to withdraw LB 746.

SPEAKER BAACK: Senator Elmer.

SENATOR ELMER: Thank you, Mr. Speaker and members. LB 746 is a bill that deals with ethanol and the ethanol authority, and the matter is being handled in other bills. It's not been scheduled for a hearing yet. And it is not...not a necessary bill, just as Senator Bernard-Stevens says, there's no need to burden the committee with another hearing on another bill when it's being handled elsewhere. Thank you, Mr. Speaker.

SPEAKER BAACK: Thank you, Senator Elmer. Any discussion on the motion to withdraw LB 746? Seeing none, we will now vote on the motion. All those in favor vote aye, opposed vote no. We are voting on the motion to withdraw LB 746. Have you all voted? Record, Mr. Clerk.
